The normal tip for handling baggage is \$2.00 per bag each time the bag is loaded and unloaded. For example, if you have two bags that you want loaded and unloaded, the tip should be \$8.00. If you do not want to provide a tip or you just like the exercise, please let your tour guide know and he/she will gladly let you load and unload your luggage. The tip for luggage is apart from any gratuity that you would normally give for a tour.
